

This scholarship is offered in the memory of the late Christos Nicolaou.

Christos Nicolaou (Sparti, Laconia Greece, 1943–1993) embarked on a transformative journey when he immigrated to Canada in 1969, accompanied by his wife Ekaterina (1946–1983) and their two sons, Konstantin and Yianni. Choosing East Vancouver, British Columbia as their new home in 1974, the Nicolaou family has since established a steadfast presence in the region.

A seasoned painter specializing in interior finishes, particularly plaster architectural castings and details, Christos Nicolaou underwent a professional evolution in the late 1970s. Confronted with an allergic condition to paints and solvents, he adeptly redirected his expertise, emerging as one of Vancouver's preeminent manufacturers of kitchen and bathroom cabinetry. Operating Christ Cabinets Ltd from 1974 until his untimely passing in 1993, merely weeks shy of his 50th birthday, Christos left an enduring legacy.

To commemorate his unwavering commitment to family, craftsmanship, and the Greek Canadian Community, a Trade Scholarship has been established in collaboration with A.H.E.P.A. District 26th. This scholarship is dedicated to supporting exemplary Greek Canadian youth aspiring to perpetuate the skills, professionalism, dedication, pride, and commitment exemplified by "People in Trades."

Presently overseen by Konstantin (Kostas) Nikolaou of Vancouver, BC, the Scholarship Program stands as a testament to Christos Nicolaou's enduring influence on the woodworking profession and his profound impact on future generations in the trade.

Υποτροφία στη μνήμη του Χρήστου Νικολάου

Ο Χρήστος Νικολάου (Σπάρτη, Λακωνία, Ελλάδα, 1943–1993) ξεκίνησε μια μετασχηματική πορεία όταν μετανάστευσε στον Καναδά το 1969, συνοδευόμενος από τη σύζυγό του Εκατερίνα (1946–1983) και τους δύο γιους του, Κώστα και Γιάννη. Επιλέγοντας το Ανατολικό Βανκούβερ, Βρετανική Κολομβία ως το νέο τους σπίτι, η οικογένεια Νικολάου έχει εδραιώσει ένα σταθερό παρούσα στην περιοχή.

Ένας έμπειρος μπογιατζής που εξειδικεύτηκε σε εσωτερικά φινιρίσματα, ιδιαίτερα σε χυτά αρχιτεκτονικά γύψινα και λεπτομέρειες, ο Χρήστος Νικολάου υπέστη επαγγελματική μεταμόρφωση στα τέλη της δεκαετίας του '70. Αντιμετωπίζοντας αλλεργική αντίδραση στα χρώματα και τους διαλύτες, ανακατευθύνθηκε επιδέξια στην επαγγελματική του πορεία, εξελίσσοντάς την ως έναν από τους κορυφαίους και καλύτερα γνωστούς κατασκευαστές κουζινών και μπάνιων στη Βανκούβερ. Λειτουργήσε την εταιρεία Christ Cabinets Ltd από το 1974 μέχρι το πρόωρο χαμό του το 1993, λίγες εβδομάδες πριν από τα 50 του χρόνια.

Για να τιμήσει την αγάπη και την αφοσίωσή του στην οικογένειά του, στην τέχνη του και στην ελληνοκαναδική του κοινότητα, δημιουργήθηκε ένα υποτροφιακό πρόγραμμα σε συνεργασία με την A.H.E.P.A. District 26th, με σκοπό να υποστηρίξει εύρωστους ελληνοκαναδούς νέους που επιθυμούν να συνεχίσουν τις δεξιότητες, τον επαγγελματισμό, την αφοσίωση, την υπερηφάνεια και τη δέσμευση που καθορίζουν τους "Άνθρωπους στα Τεχνικά".

Αυτό το πρόγραμμα υποτροφιών διατηρείται επί του παρόντος από τον Κώστα Νικολάου, Βανκούβερ, Βρετανική Κολομβία.

CHRISTO NICOLAOU – A.H.E.P.A. TECHNICAL TRADE SCHOLARSHIP

APPLICATION

By assisting young people in the pursuit of their career in the technical trades, we are investing in their future and in the future of the construction and mechanical industry in Canada.

The **CHRISTO NICOLAOU – A.H.E.P.A. Construction Trade Scholarship** is available to:

- Secondary School students who are enrolled in their final year of high school as of December 15th, 2023. Those eligible to apply for this scholarship must be planning to enroll at an accredited Polytechnic University or College in a Carpenter, Electrical, Plumbing, Mechanical or other Trade (including Automotive, Deisel, Aviation etc..) program.

Or

- First or Second Year apprentices who are currently enrolled within an accredited Trade program through an established and recognized Polytechnic University or College in the Carpenter, Electrical, Plumbing, Mechanical or other Trade (including Automotive, Deisel, Aviation etc..) program.

Successful applicants will be awarded a scholarship valued at \$1000, based on demonstrated academic standards, leadership/work/volunteer activities and desire for a career in their chosen trade studies.
